

# BIO-CERO

*Concrete Stain Remover*

**Biobased &  
Biodegradable**

## TECHNICAL DATA SHEET

BIO-CERO is a bio-based acidic concrete remover which has been developed for the future to meet the demands on environmental friendliness and independence of fossil resources.

### DESCRIPTION

BIO-CERO is a unique bio-based cleaning agent for removing concrete stains, splashes and spills on molds, vehicles, tools and other equipment. Removes lime deposits and surface defects on concrete. The product is also suitable for removing render from scaffolding. The product has good adhesion giving a long duration dissolution effect.

### TECHNICAL DATA

Viscosity at 20°C	7 mPa s
pH (undiluted)	1.9
Biocarbon content <sup>1</sup>	97 %
Readily Biodegradable <sup>2</sup>	
Contains	< 5% non-ionic surfactants

For normal use the product is used as delivered (undiluted). The product can be stored in its original unopened packaging for up to three years. The product should be stored above 0°C and not in direct sunlight.

### PRODUCT COMPOSITION

Developed and manufactured by Biobase Sweden AB from renewable raw materials. Bio-based product according to EN 16575:2014.

<sup>1</sup>ASTM D6866

<sup>2</sup>All components break down to over 60% in 28 days in OECD 301B.

### DIRECTIONS FOR USE

Applied with a low-pressure sprayer, poured or painted onto the surface. Leave on for 15-90 min, wash off with clean water using a high pressure washer. Avoid drying out the product while it is working by spraying with water or more product. For thicker deposits, the process is repeated. Scaffolding and machine or parts are preferably cleaned in a bath for up to 48 hours (dilute the product up to 1:2 with water).

### ENVIRONMENT & SAFETY

- Compliant with REACH and CLP
- Bio-based & Biodegradable
- Dangerous goods UN 3265

**Danger:** Causes severe skin burns and eye damage. Wear protective gloves/protective clothing/eye protection/face protection.

Accepted product at Byggvarubedömningen.

See the product safety data sheet for full information on safety and handling.

### PACKAGING

UN-approved PE packaging

CN-number 3402 50 10 00
